Virginia CBS affiliates to syndicate America’s 400th Anniversary Special
One-hour program will be offered to stations and cable channels internationally

Williamsburg, VA—Jamestown 2007 and a consortium of four CBS affiliates in Virginia and Washington, D.C. have signed an agreement to produce and syndicate a one-hour television special honoring the 400th anniversary of Jamestown, Va., the first permanent English settlement in the Americas. The program will feature entertainment highlights from the 18-month commemoration, including America’s Anniversary Weekend, a three-day event taking place May 11-13, 2007.

Participating affiliates include WTVR in Richmond, WTKR in Hampton Roads, WUSA in Washington and WDBJ in Roanoke.

“These stations have demonstrated tremendous vision and an understanding of the importance of the commemoration to the nation,” said Jeanne Zeidler, executive director of Jamestown 2007. “We are very excited to be working with them.”

Jamestown 2007 will develop the program through Prosody Creative Services, the firm producing America’s Anniversary Weekend and several other signature events of the commemoration. Using an Emmy-winning team, Prosody will serve as the show’s executive producer.

The CBS consortium will syndicate the program to individual affiliates of CBS and other networks, as well as cable channels and other potential distribution outlets.
