This year's "57th John Malcus Ellison Convocation, *Footprints of Faith: Tears, Testimony and Triumph*" of Africans and North American Indians will offer opportunities for the conference attendees to reflect, to dialogue, and to explore the impact of the founding of the first permanent English settlement at Jamestown in 1607. As a part of America's 400th anniversary commemoration you will be invited to:

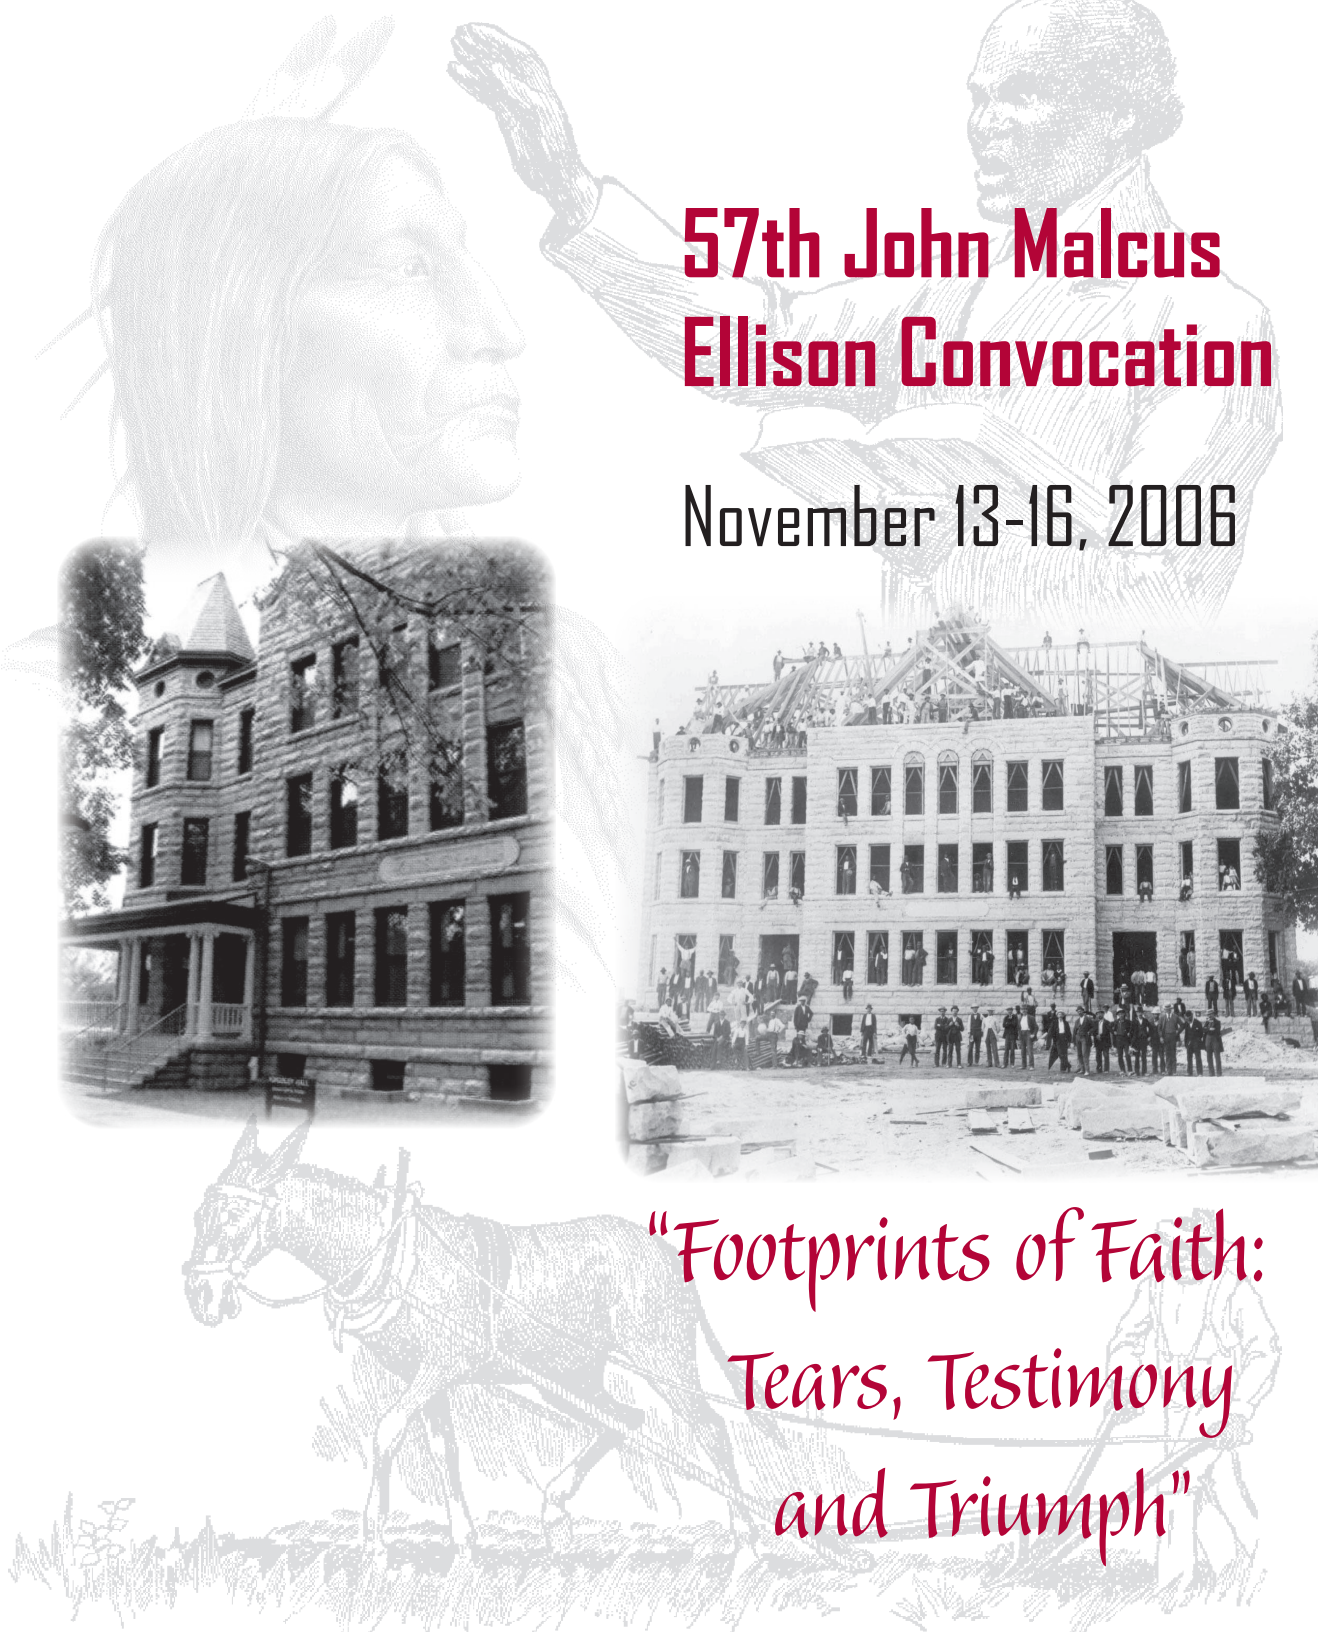

- Engage in inspired worship, teaching, and preaching of pre-eminent scholars and civil rights activists such as Dr. Vincent Harding who will explore the impact of the African American religious experience on America and the world.
- Travel on a meditative journey through the Richmond Slave Trail where you will revisit the same path that our African ancestors were introduced to the horrors of legalized bondage.
- Honor the transformative service of civil rights icon, VUU alum, and living legacy, Dr. Wyatt T. Walker, for his undying quest for social justice, equality, and liberation for all of God's people around the globe.

In addition, there will be ample opportunity for relaxation, rejuvenation, and reunion at the Second Annual Golf Outing, the Alumni luncheons and opportunities to catch up with friends and the STVU Family.

Register early for what promises to be an inspired week of remembrance and reflection.
